Dear Sir or Madam:

In Response to the Notification of Missing Requirements under 35 U.S.C. 371 mailed April 14, 2006 (a copy of which is enclosed), Applicants submit the following:

- a Preliminary Amendment;
- a Declaration; and
- a check in the amount of **\$130.00** is enclosed herewith to cover the surcharge for filing missing parts of an application.

In addition, the Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. **08-1290**. **An originally executed duplicate of this transmittal is enclosed for this purpose.**

130.00 OP

Applicants note that the enclosed Notification of Missing Requirements contains two noteworthy errors:

- Applicants' representative is erroneously listed as the first named inventor. As shown above, on the cover page of WO 2005/005981 and on the executed Declaration provided herein, Rene Alexander Rozendal is the first named inventor of this matter; and
- a Sequence Listing (in written and computer readable forms) is erroneously requested. As the above-referenced U.S. National Entry application **does not contain** any nucleotide or protein sequences, this requirement is improper.

Applicants hereby request appropriate correction.
